

Consideration of Proposed Amendments to the Policy on Contracting and Services of Independent Consultants

Background

At the August 5, 2005 meeting, the ICOC approved, based on a recommendation from the July 29, 2005 Governance Subcommittee meeting, the Policy and Procedures for Contracting and the Policy for Approval of Contracts and Interagency Agreements.

As provided for in the Health and Safety Code Section 125290.30, for purpose of competitive bidding:

- (1) The institute shall, except as otherwise provided in this section, be governed by the competitive bidding requirements application to the University of California, as set forth in Article 1 (commencing with Section 10500) of Chapter 2.1 of Part 2 of Part 2 of Division 2 of the Public Contract Code.
- (2) For all institute contracts, the ICOC shall follow the procedures required of the Regents by Article 1 (commencing with Section 10500) of Chapter 2.1 of Part 2 of Part 2 of Division 2 of the Public Contract Code with respect to contracts let by the University of California.
- (3) The requirements of this section shall not be applicable to grants or loans approved by the ICOC.
- (4) Except as provided in Section 125290.30, the Public Contract Code shall not apply to contracts let by the institute.

The Policy and Procedures for Contracting, adopted at the August 2006 meeting, at times ambiguous and omitted a few of the required procedures as defined in the University of California Business and Finance Bulletin 34 on contracting.

Recommendation

The President and the Governance Subcommittee recommend to the ICOC for approval of the Policy on Contracting and Services of Independent Consultants (see Attachment I).

Description

The major changes reflected in the proposed policy are:

I. Thresholds for Solicitations

FROM: Contracts with Independent Contractors or Consultants are not required to be competitively bid. However, if services will be needed for an extended period of time, bidding should be considered. If the services is generic (not unique), then the state's

Master Services Agreement (MSA) program can be used to select Independent Contractors and Consultants.

- TO:** On page 10 of the proposed policy, if the total amount of the contract of the independent consultant agreement is or will be:
- i. less than \$15,000, the Responsible Administrative Official shall determine that the payment is reasonable* for the services to be performed.
 - ii. more than \$15,000 but less than \$50,000, the Responsible Administrative Official shall assure that, if possible, proposals are solicited from three or more qualified independent consultants. Written bids are not required; verbal bids will be sufficient as long as the solicitation is based on a documented scope of work with three or more comparable price quotes and the Responsible Administrative Official shall determine the payment is reasonable* for the services to be performed. The scope of the agreement shall not be artificially divided so as to avoid the solicitation of competitive proposals.
 - iii. \$50,000 or more, the Responsible Administrative Official shall assure that written proposals are solicited. When competitive proposals are not solicited, the reason for not seeking competition shall be documented and retained in the agreement file and the Responsible Administrative Official shall determine the payment is reasonable* for the services to be performed. The scope of the agreement shall not be artificially divided so as to avoid the solicitation of competitive proposals.

* Reasonable Payment - a payment that does not exceed that which would be incurred by a prudent person in the conduct of a competitive business. Reasonable payment can be established by market test, price or cost analysis, or the experience and judgment of the Responsible Administrative Official. Such judgment considers total value to the CIRM. There is value to the CIRM in agreements which meet the CIRM's needs, such as those involving qualifications, experience, resources, quality, and service. A reasonable payment need not be the lowest price available, but is one which offers the highest total value to the CIRM.

II. Approval Levels for Contracts and Independent Consulting Services

FROM: Current Policy adopted on July 5, 2005

ICOC: Approval is required when the amount is expected to be more than \$250,000 or when an amendment will cause the contract to exceed \$250,000.

President, CIRM: Approves all contracts that are not required to be approved by the Governance Subcommittee or the ICOC.

[from a memo dated 10/28/05 from Walter Barnes to CIRM staff: "If a contract is more than \$100,000 or when an

amendment will cause the contract to exceed \$100,000:
Approval of the Governance Committee is required]
Interagency Agreements – Initial and amendments or
extensions: Delegate approval of interagency agreements to
the President, CIRM.

TO: Proposed Amendments (see page 11 of the proposed policy)
ICOC: Approval is required when the amount is expected
to be more than \$500,000 or when an amendment will
cause the contract to exceed \$500,000.
Governance Subcommittee: Approval is required when the
amount is expected to be more than \$250,000 or when an
amendment will cause the contract to exceed \$250,000.
President: Approval by the President is required for any
contract or amendment not required to be approved by the
ICOC or the Governance Subcommittee.
Interagency Agreements – Initial and amendments or
extensions: Approval of interagency agreements is
delegated to the President, CIRM.

III. Reporting Requirements

*(strikeouts represent deletions and underlining represents additions by
the Governance Subcommittee)*

FROM: At each meeting of the Governance Subcommittee the
President and the Chief Administrative Officer will provide a report on the
status of all interagency agreements and contracts and provide information
needed to support decisions requiring Governance Committee or ICOC
approval.

TO: Page 11 of the proposed policy suggests that the Responsible
Administrative Official shall submit ~~quarterly reports to the~~ a report at
each Governance Subcommittee meeting and an annual report to the
ICOC. The report shall include a statement indicating compliance with the
provisions of this Policy and a list of all agreements and amendments
executed in the reporting period. The report shall include, as a minimum,
the following information for each executed agreement or amendment:

- 1) A listing of each agreement and amendment executed in the
reporting period;
- 2) The name of the consultant;
- 3) The purpose of the consulting services;
- 4) The total dollar amount of the agreements and amendments

DRAFT
California Institute of Regenerative Medicine
POLICY on CONTRACTING and SERVICES of INDEPENDENT
CONSULTANTS

I. INTRODUCTION

The contracting policies in this document are based upon the University of California Business and Finance Bulletin 34. These policies provide for appropriate implementation and the oversight required for contracting as defined in Proposition 71.

II. DEFINITIONS

Certain terms appear frequently throughout this and other CIRM purchasing policy issuances and have the following meanings:

A. Employee - any individual who is presently employed by the CIRM.

B. Employer-Employee Relationship –

- 1) Generally, under common law if an employer has the right to direct and control the work of an individual who performs the services, not only as to the results to be accomplished but also as to the methods and means by which the results are accomplished, an employer-employee relationship exists. In this respect, even if the employer does not exercise the right to direct or control the manner in which the worker performs the services, the fact that the employer retains the right to do so is sufficient.
- 2) On the other hand, if the individual is subject to the direction or control of another person only as to the end result, not as to the methods and means used to accomplish that result, the individual is not an employee. If the employer does not control either the manner of performance or the result of the service, an independent consultant relationship exists. Because there are no explicit statutory standards for determining a worker's status under the employment tax laws, the IRS has identified twenty classification factors, based on common law standards, which can be used to determine whether the employer has the right to direct and control the detail and means of a workers duty. The fact that more than half of the factors may point to one result does not necessarily mean that this is the correct determination; rather, all of the facts must be analyzed to determine whether certain factors may be more important than others under the particular circumstances. In addition, the fact that an individual's relationship with a business is temporary should be given little weight in making an employee/independent consultant determination. Although an independent consultant will typically have a temporary relationship with a business, so too will employees engaged on a seasonal, project, or an "as needed" basis. See Appendix 3, Independent Contractor Pre-Hire Worksheet, and Business and Finance Bulletin BUS 77 for information on the application of the twenty IRS factors and a more extensive discussion of employer/employee relationships.

C. Employee-Vendor Relationship - a relationship in which:

- 1) An employee, acting alone, proposes for a consideration to provide services to a CIRM department, or an employee owns or controls more than 10% interest in any business which proposes for a consideration to provide services to a CIRM department; or
- 2) A near relative of an employee, acting alone, proposes for a consideration to provide services to a CIRM department, or a near relative of an employee owns or controls more than 10% interest in any business which proposes for a consideration to provide services to a CIRM department, and the employee has, in any connection with his or her CIRM employment, any responsibility for, or will be involved in any manner in, the departmental decision to accomplish or approve the agreement.

D. Executing Officials - officials who are designated as Responsible Administrative Officials.

E. Independent Consultant - An independent consultant is an individual of proven professional or technical competence, who is not employed by the CIRM, who provides primarily professional or technical advice to the CIRM and for whom the CIRM does not control either the manner of performance or the result of the service. The CIRM document used to secure the services of an independent consultant is an Independent Consultant Agreement form. A purchase order or employment type document may not be used.

F. Independent Consultant Agreement - a contract for services which are of an advisory nature, provide a recommended course of action or personal expertise, have an end product which is basically a transmittal of information either written or verbal, and which is related to CIRM administration and management.

G. Independent Contractor - An independent contractor relationship exists when the CIRM has the right to control only the result of the service, not the manner of performance. Independent consultants are a special type of independent contractor and for CIRM purposes are treated somewhat differently than non-consultant independent contractors. As related to independent contractors, service is useful labor performed for another that may or may not produce a tangible commodity. Service includes, but is not limited to: use of security guards; transportation; computer programming; film processing; janitorial work; rubbish and waste removal; and service and repairs to office equipment. In general, such service is covered by the CIRM's standard purchase order form and terms and conditions of purchase in accordance with the procedures described in the University of California Business and Finance Bulletin BUS 43. The CIRM document used to execute this type of relationship is a purchase order form. Neither the Independent Consultant Agreement form nor an employment type form shall be used.

H. Near Relative - a spouse, child, parent, brother, sister, son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law, sister-in-law, and step-relatives in the same relationship.

I. Responsible Administrative Officials - the President, or CFAO, as designated by the ICOC, for the purpose of approving the purpose and content of an independent consultant agreement; this person is one of two executing officials.

J. Reasonable Payment - a payment that does not exceed that which would be incurred by a prudent person in the conduct of a competitive business. Reasonable payment can be established by market test, price or cost analysis, or the experience and judgment of the

Responsible Administrative Official. Such judgment considers total value to the CIRM. There is value to the CIRM in agreements which meet the CIRM's needs, such as those involving qualifications, experience, resources, quality, and service. A reasonable payment need not be the lowest price available, but is one which offers the highest total value to the CIRM.

III. RESPONSIBILITIES

- A. The President or CFAO is responsible for assuring that the services of independent consultants are secured in accordance with the requirements of this Policy.
- B. In the absence of both the President and CFAO one of two may appoint, for a limited time, a Responsible Administrative Official to have administrative responsibility for implementing procedures necessary to fulfill the requirements of this Bulletin in securing the services of independent consultants. This appointment and its related delegation shall be in writing and specify the length of the appointment.
- C. The Responsible Administrative Official specifically shall assure that:
- 1) all requisite documents have been fully approved and received;
 - 2) sole source justification is documented if the agreement is \$15,000 or more and competitive proposals have not been solicited;
 - 3) he or she has signed all agreements, including amendments;
 - 4) adequate records are retained to document the transaction including, but not limited to:
 - (a) the Independent Consultant Agreement and all amendments;
 - (b) solicited proposals or sole source justification for all agreements in excess of \$15,000;
 - (c) documentation that the price to be paid is reasonable; and
 - (d) a completed and signed Independent Contractor Pre-Hire Worksheet (Appendix 3).
 - 5) the annual report and statement (see IX, below) are prepared and submitted to the ICOC.
- D. The Finance Officer shall insure that no payment to an independent consultant is made prior to the signing of an agreement, unless expressly approved in writing by the Responsible Administrative Official.

IV. SCOPE

- A. The requirements and procedures set forth in this Policy apply to securing the services of independent consultants for CIRM activities for which administrative responsibility is vested in the President or CFAO.
- B. The requirements and procedures set forth in this Policy do not apply to:
- 1) ICOC or working group members who serve internally as consultants.
 - 2) Employer/employee relationships, as covered in the applicable personnel policies.

V. GENERAL REQUIREMENTS

- A. Arrangements to secure the services of an independent consultant may be entered into only when a determination has been made that the services are so urgent, special, temporary, or highly technical that they cannot be performed economically or

satisfactorily by existing CIRM staff during the course of their normal CIRM responsibilities or duties.

B. Generally, services of a specific professional or technical nature to be performed by an independent consultant would encompass activities other than those services provided by independent contractors as defined in II, above.

C. The use of an independent consultant is expected to be infrequent and is primarily used to solve clearly-delineated problems.

D. An independent consultant shall not be used to direct or carry out a major portion of a program.

E. In general, the determination regarding employee versus independent consultant status is made by the Responsible Administrative Official. However, in cases where it is difficult to determine the correct status using the criteria provided in this Policy and the University of California Business and Finance Bulletin BUS 77, the Human Resources Department, in coordination with the General Counsel's Office and the CIRM's outside tax counsel, can provide assistance in determining whether an employer-employee relationship exists. Only upon determination that no employer/employee relationship would be established may the proposed agreement be executed.

F. If it is determined that an employer-employee relationship would be established, the CIRM location shall follow the normal employment process.

G. If it is determined that an employee-vendor relationship would be established, the requirements of this section G. shall be followed:

1) Basic Policies

a. Separation of Interests - It is the policy of the CIRM to separate an employee's CIRM and private interests, and to safeguard the CIRM and its employees against charges of favoritism in the acquisition of goods, materials, and services.

b. Conflict of interest - The California Political Reform Act prohibits an employee from making, participating in making, or attempting to base his or her influence to affect a decision if there exists a financial conflict of interest. Requirements governing such decision making are set forth in the CIRM's Conflict of Interest Code and shall be observed by the CIRM in contracting for consulting services.

c. Exceptions/Approvals - No contract for consulting services shall be made with any employee-vendor as defined above unless there has been a specific determination by the Responsible Administrative Official that the goods or services are not available either from commercial sources or from the CIRM's own facilities. The Responsible Administrative Official is delegated authority, within constraints imposed by the Political Reform Act, for approving an employee-vendor contract only in exceptional cases when there are unusual or extenuating circumstances.

d. The laws and regulations affecting the Public Employees' Retirement System (PERS) do not prohibit a retired member of PERS from providing services to the CIRM as an independent consultant except that a person who retired under the Voluntary Early Retirement Incentive Program (VERIP) is subject to specified limitations. The Responsible Administrative Official should determine a retiree's status and limitations, if any, prior to executing the Consulting Agreement.

VI. REQUESTS AND APPROVAL

A. Prior to preparation of proposals, a requesting unit shall make a written presentation of its requirement for the services of an independent consultant and submit it to the Responsible Administrative Official. The request for consultant service shall be in a form which will clarify and define the problem for the benefit of the Responsible Administrative Official, and which will enable prospective independent consultants to prepare proposals. The Responsible Administrative Official shall approve the request to proceed with the preparation of proposals.

B. The request for consultant service shall include, but not necessarily be limited to, the following:

- 1) A description of the problem;
- 2) The objectives of the study or a general statement of what is expected to be accomplished;
- 3) An explanation of why the service cannot be performed by CIRM employees;
- 4) The scope of the work, including any desired approach to the problem, specific
- 5) limitations, questions requiring answers, format for the completed report, and the extent to which assistance, resources and cooperation from the CIRM will be available to the consultant;
- 6) A firm or estimated time schedule including dates for commencement of performance, submission of progress reports, and for completion of the service;
- 7) The terms under which progress payments will be allowed;
- 8) Account(s) and fund(s) and subaccount(s) to be charged; and
- 9) A completed Independent Contractor Pre-Hire Worksheet (Appendix 3).

C. Proposals from independent consultants shall be in writing and shall include, but not necessarily be limited to, the following:

- 1) A description of the consultant's qualifications, with a brief list of similar types of consulting contracts successfully concluded, a sample of such work when appropriate, and a description of the lead personnel and anticipated supporting personnel to be employed on the study;
- 2) An overall description of the techniques by which the consultant intends to approach the problem, consultant resources to be expended, the anticipated beginning and ending dates for the services, and, if subcontractors are contemplated, a description of these persons or firms and the portions and monetary percentages of the work to be done by them;
- 3) A description of the type of information, if any, to be collected about an individual, the method of collection, the physical type of the resulting record, i.e., typed or written notes, photograph, and the proposed ownership of such records. The consultant's attention shall be directed especially the Independent Consultant Agreement (see Appendix 1);
- 4) The total cost of the study and a breakdown of how this cost was computed, including any travel expenses, and desired method of payment;

- 5) The total dollar amount of consultant work contracted with the CIRM of California in the last 12 months;
- 6) The name and position of any officer, faculty member, or other employee of the CIRM who holds a position of director, officer, partner, trustee, manager or employee in the consultant organization, as well as the names of any near relatives who are employed by the CIRM; and
- 7) If the consultant is not a citizen of the United States, an explanation of the person's alien status in the United States.

D. Thresholds for solicitations: If the total amount of the contract of the independent consultant agreement is or will be:

- 1) If the amount is less than \$15,000, the Responsible Administrative Official shall determine that the payment is reasonable for the services to be performed. Reasonable payment is defined in II.J. above.
- 2) Is or will be more than \$15,000 but less than \$50,000, the Responsible Administrative Official shall assure that, if possible, proposals are solicited from three or more qualified independent consultants. Written bids are not required; verbal bids will be sufficient as long as the solicitation is based on a documented scope of work with three or more comparable price quotes, and the Responsible Administrative Official determines the payment is reasonable for the services to be performed. Reasonable payment is defined in II.J. above. The scope of the agreement shall not be artificially divided so as to avoid the solicitation of competitive proposals.
- 3) Is or will be \$50,000 or more, the Responsible Administrative Official shall assure that written proposals are solicited. When competitive proposals are not solicited, the reason for not seeking competition shall be documented and retained in the agreement file and the Responsible Administrative Official shall determine the payment is reasonable for the services to be performed. Reasonable payment is defined in II.J. above. The scope of the agreement shall not be artificially divided so as to avoid the solicitation of competitive proposals.

E. Selection of the independent consultant shall be made on the basis of qualifications, resources, experience, needs of the CIRM, and cost to the CIRM. In the selection process, any CIRM officer or employee participating in the decision must keep in mind the disqualification requirements for financial conflict of interest of the State of California Political Reform Act of 1974. Officers and employees shall not make or participate in the making of a CIRM decision if there exists a financial conflict of interest. Questions concerning conflicts of interest and the CIRM's disqualification requirements should be raised with the Chief Human Resources Officer

VII. AGREEMENT COVERING SERVICES

A. The agreement between the CIRM and an independent consultant shall be executed on the standard CIRM Independent Consultant Agreement, Appendix 1 of this Policy. Any modification of the standard agreement form or material modification of the approved scope of services shall be reviewed and approved by the Responsible Administrative Official, who shall consult with the General Counsel as appropriate.

B. The insurance requirements to be provided as set forth in the Independent Consultant Agreement shall be those set by the University of California Business and Finance Bulletin BUS-63.

C. Delegation of Approvals Required

Approval of any agreement must be granted based on the following levels

- 1) ICOC: Approval is required when the amount is expected to be more than \$500,000 or when an amendment will cause the contract to exceed \$500,000.
- 2) Governance Subcommittee: Approval is required when the amount is expected to be more than \$250,000 or when an amendment will cause the contract to exceed \$250,000.
- 3) President: Approval by the President is required for any contract or amendment not required to be approved by the ICOC or the Governance Subcommittee.
- 4) Interagency Agreements – Initial and amendments or extensions: Approval of interagency agreements is delegated to the President, CIRM.

D. When approval has been granted, the agreement between the CIRM and an independent consultant shall be signed by the consultant and the Responsible Administrative Official prior to the beginning of any service. Exception after the fact may only be granted by written approval only by the President.

E. There shall be no extension of the termination date or expansion of the scope of the original agreement or payment thereof without prior written approval by the Responsible Administrative Official (see Appendix 2 for sample format for amendment). Amendments may not be issued for work unrelated to the scope of the original agreement.

A. A consultant normally shall submit an invoice setting forth the appropriate charges and indicating the agreement number and taxpayer reporting number. An invoice need not be submitted if exempted by terms of the agreement.

B. Authorization for consultant payments shall be a copy of the properly executed standard agreement form.

C. Payment shall not be made for services rendered prior to the contract period, except as expressly approved by the Responsible Administrative Official, or shall payment be made for services rendered after expiration of the agreement.

D. Payment shall be made in accordance with the schedule set forth in Section III. of the agreement. In case of termination prior to completion of the work to be performed under the agreement, a determination shall be made of an equitable compensation to be paid for the work completed based on its value to the CIRM, provided that such compensation shall in no event exceed the total agreement price.

E. If a consultant is not a citizen of the United States, CIRM shall consult with the State Controller's Office for procedures regarding payments to aliens.

IX. REPORTING

A. The Responsible Administrative Official shall submit a report at each Governance Subcommittee meeting and an annual report to the ICOC. The report shall include a statement indicating compliance with the provisions of this Policy and a list of all

- 2) The name of the consultant;
- 3) The purpose of the consulting services;
- 4) The total dollar amount of the agreements and amendments executed during the reporting period; and
- 5) Expenditures made in the reporting period.
