

CIRM Funded Clinical Trials

Transplantation of CRISPR-CAS9 Corrected Hematopoietic Stem Cells (CRISPR_SCD001) in Patients with Severe Sickle Cell Disease

Disease Area:	Sickle Cell Disease
Investigator:	Mark Walters
Institution:	University of California, San Francisco
CIRM Grant:	CLIN2SCD-11722
Award Value:	\$8,389,407
Trial Sponsor:	University of California, San Francisco
Trial Stage:	Phase 1
Trial Status:	Launching
Targeted Enrollment:	N/A
ClinicalTrials.gov ID:	NCT04774536
