IPITA 2013 - 14th World Congress of the International Pancreas and Islet transplant Association

Grant Type: Conference

Grant Number: CG1-07581

Project Objective: from PI --
"Our primary motivation is to capitalize on the vibrant, synergistic world of research that has been created by CIRM since the passage of CA Prop 71 in 2004. The Congress organizers chose our state as their conference site since it is in close proximity to the hub of stem cell and biotechnology, in addition to being surrounded by major universities which have been leaders in the fields of pancreas and islet cell transplantation. "
