The Sanford Consortium for Regenerative Medicine's Scientific Symposium and the Regen Med Partnering Forum at Stem Cell Meeting on the Mesa VIII

Grant Type: Conference

Grant Number: CG1-07590

Project Objective: The Scientific Symposium at Stem Cell Meeting on the Mesa (SCMOM) aims to advance scientific progress through the collaboration of over 16 researchers and academic leaders who were selected to present at the 8th annual conference in 2013. The focus of the meeting was the dissemination of scientific results to area researchers through seminar presentations, question and answers, a poster session and networking. Four panels and two keynote speakers centered their talks on translation of advances in regenerative medicine. T
