

Spotlights on Stem Cell Research

CIRM Spotlights on Stem Cell Research Videos

At meetings of the CIRM governing board, patients, clinicians and researchers speak about the hope of stem cell research for a particular disease area. These are their stories.

- Using Stem Cells to Cure Liver Disease : September 6, 2012
- Seeing Stem Cells in the Body : May 24, 2012
- Bone Repair: March 21, 2012
- Genomics: January 17, 2012
- Heart Failure: December 8, 2011
- Bottlenecks in iPS Biology: June 23, 2011
- Sickle Cell Anemia: May 4, 2011
- Cardiovascular Therapies: March 10, 2011
- The Human Embryo and Embryonic Stem Cell Research : December 15, 2010
- Devic's Disease (NMO): October 21, 2010
- Stroke: August 19, 2010
- ALS (Lou Gehrig's Disease): June 23, 2010
- HIV/AIDS: April 29, 2010
- Huntington's Disease: March 11, 2010
- Genetic Skin Disease: February 4, 2010
- Cancer Stem Cells: December 10, 2009
- Basic Research: August 20, 2009
- Leukemia: June 18, 2009
- Macular Degeneration: April 29, 2009
- Arthritis: January 30, 2009
- Alzheimer's Disease: December 10, 2008
- Type 1 Diabetes: September 9, 2008
- Batten Disease: August 13, 2008
- Parkinson's Disease: May 7, 2008
- Deafness: March 12, 2008
- Huntington's Disease: December 12, 2007
