

Ariel Lowrey - High School Stem Cell Research Intern - Summer 2013, Video Project 2

Ariel Lowrey is an International High School student doing a stem cell research internship this summer in the laboratory of Michelle Monje at Stanford University. Her internship is funded by California's Stem Cell Agency (CIRM) through the CIRM Creativity Awards grant. In this video, she talks about her parents' opinions of the internship. Visit our Through Their Lens page for photos and more videos from students and grantees.
