

**PROPOSED GRANTS WORKING GROUP
COMMITTEE SELECTION SCHEMA**

- Professional Nominations**
- Drawn from professional directories such as those of the NAS and “Who’s Who in Stem Cell Research”
 - Peer recommendations

- Public Nominations**
- Collected from responses to request for nomination on CIRM website

Each of six 2-member subcommittees (SC’s) review nominees and put forth 5 recommendations. These 30 will be reviewed by the full subcommittee in the context of an OPEN meeting after soliciting serious candidates regarding their willingness to participate

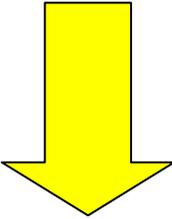

Review of all nominations for eligibility (Chair)
Distribute eligible nominees to 6 subcommittees

OPEN Subcommittee Meeting to review 30 nominees recommended by the subcommittee and recommend 20 to the ICOC

30
Nominees

20
nominees

Subcommittee recommends the 20 candidates to the Independent Citizen's Oversight Committee, along with the process and criteria used to select those candidates. The board has the ability to select candidates, other than those recommended, and/or to modify the criteria or process, along with the option of selecting from the candidates recommended.
