

# **Consideration of Recommendations from Standards Working Group Regarding Review and Oversight of CIRM-Funded Research**

## **Agenda Item 15**

# §100060: SCRO Committee Membership

- **Current regulatory language requires the SCRO committee to include one non-scientist member of the public who is not *remunerated* by the research institution.**
- **SWG recommends the ICOC consider striking restriction on remuneration of non-scientist public member.**
- **Non-scientist public member still cannot be employed by the institution or be a family member of a person affiliated with the institution.**

# §100070: SCRO Committee Review and Notification

- **Current regulatory language requires the SCRO committee to be notified of *in vitro* research involving the use of individually identifiable cells and tissue.**
- **SWG recommends the ICOC consider allowing a designated official to be notified in lieu of a SCRO committee for *in vitro* research involving identifiable cells and tissue.**
- **Research involving identifiable cells and tissue would also be subject to review and approval by the Institutional Review Board (IRB).**
