**SUBJECT:** AGENDA ITEM 12 – POSTPONEMENT TO AUGUST AGENDA –  
“Consideration of Conflict of Interest Regulations for CIRM Working  
Groups – Regulations 100001 – 100004.”  
**DATE:** 5/31/2006

---

On April 14, 2006, the Office of Administrative Law published draft regulations approved by the ICOC implementing conflict of interest rules governing the CIRM’s working groups. The publication of the regulations initiated a 45-day public comment period, which concluded May 29, 2006. As a result of valuable public comment received during that time, we wish to amend the regulations to ensure that the policies affirmed by the ICOC are reflected in the permanent regulations. As a result, staff will publicly renotify the amended draft regulations for an additional 15-day public comment period, as required by law, and bring back the regulations in final form for consideration of adoption by the ICOC at its August meeting.
