# CIRM 2.0

CALIFORNIA'S STEM CELL AGENCY

## Conference Grant Program: Concept Proposal Update

**Rahul G. Thakar**

Senior Science Officer for Development & Review  
California Institute for Regenerative Medicine

# Two Modifications Are Requested

- For applicant-proposed conferences (Mechanism 1), CIRM requests applicants propose a 30-minute speaking slot time for a CIRM team member.
- For CIRM-proposed conferences (Mechanism 2), CIRM requests that funding for (1) honoraria for invited speakers, (2) up to 10% salary support for the Program Director's time spent conducting conference-specific activities, and (3) reasonable salary support for the administrative staff time conducting conference-specific activities be included.

# CIRM Team Recommendation

- The CIRM Team requests that the ICOC approve the modifications to the Concept Proposal for Conference Grants.
