Grants Administration Policy (GAP) for Clinical Stage Projects

Grants Administration Policy (GAP) for Clinical Stage Projects

Interim Regulations

Approach:

- Take only regulations from current GAP that are aligned with our new process
- Add new regulations that support our new way of applying, reviewing and contracting
- Include language previously only stated in our Notice of Grant Award (NGA) terms
- Revise for clarity and simplicity

Major Features

- Defines Operational Milestones, impact on disbursements & consequences for delays
- Defines Suspension Events and consequences when these events occur
- Describes the Budget Review process
- 45 days to initiate the Award
- Describes Clinical Advisory Panels
- Removes Prior Approvals for Carryforward, Rebudgeting & No-Cost Extensions
- Post-Project Savings
