Financial Services Officer

Who We Are

The California Institute for Regenerative Medicine (CIRM) is looking for highly talented individuals who are driven to deliver outstanding results and committed to radically improving medicine with stem cells to join our team.

At CIRM, we never forget that we were created by the people of California to accelerate stem cell treatments to patients with unmet medical needs and act with a sense of urgency commensurate with that mission.

To meet this challenge, our team of highly trained and experienced professionals actively partners with both academia and industry in a hands-on, entrepreneurial environment to fast-track the development of today’s most promising stem cell technologies.

With $3 billion in funding and approximately 300 active stem cell programs in our portfolio, CIRM is the world’s largest institution dedicated to helping people by bringing the future of cellular medicine closer to reality.
