#### **OPEN SESSION**

1. CALL TO ORDER

2. ROLL CALL

3. CONSIDERATION OF APPLICATIONS 5 SUBMITTED IN RESPONSE TO CLINICAL TRIAL STAGE PROJECTS PROGRAM ANNOUNCEMENTS (CLIN 1 OR 2)

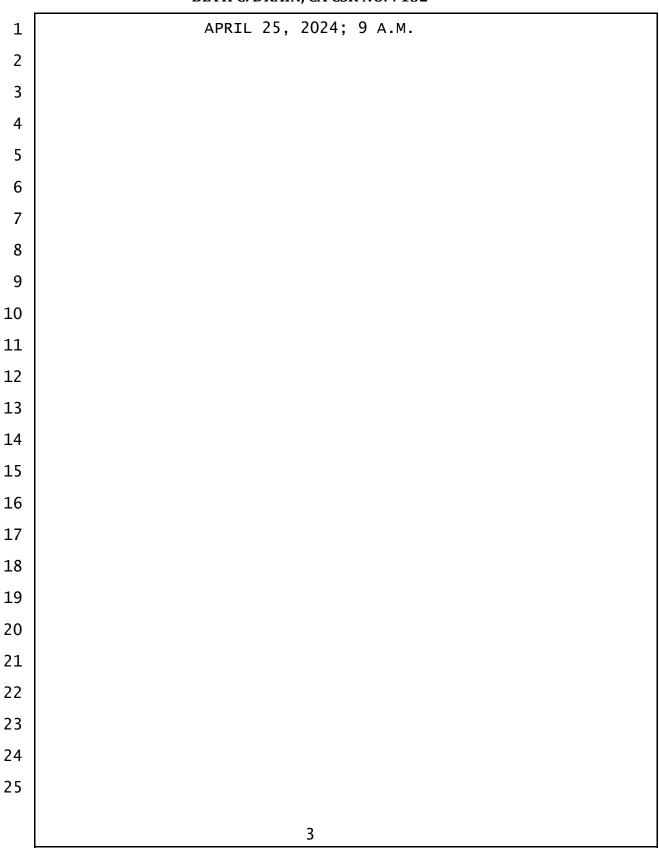

4. CLOSED SESSION

NONE

DISCUSSION OF CONFIDENTIAL INTELLECTUAL PROPERTY OR WORK PRODUCT, PREPUBLICATION DATA, FINANCIAL INFORMATION, CONFIDENTIAL SCIENTIFIC RESEARCH OR DATA, AND OTHER PROPRIETARY INFORMATION RELATING TO APPLICATIONS SUBMITTED IN RESPONSE TO AGENDA ITEM 3 ABOVE. (HEALTH & SAFETY CODE 125290.30(F)(3)(B) AND (C)).

#### **OPEN SESSION**

5.	GENERAL COMMENTS ON ARS PROCESS	NONE
6.	PUBLIC COMMENT	NONE
7.	ADJOURNMENT	35

1	CHAIRMAN IMBASCIANI: GOOD MORNING,
2	EVERYONE. THIS IS DR. IMBASCIANI. I'M THE CHAIR OF
3	THE INDEPENDENT CITIZENS OVERSIGHT COMMITTEE, THE
4	BOARD FOR CIRM. I'D LIKE TO CALL THIS MEETING OF
5	THE APPLICATION REVIEW SUBCOMMITTEE TOGETHER. WE
6	HAVE A QUORUM, AND I'M GOING TO ASK OUR DEPUTY
7	GENERAL COUNSEL BEN HUANG TO CALL THE ROLL AND
8	DURING THE MEETING TO TAKE WHATEVER VOTES ARE
9	REQUIRED. THANK YOU.
10	MR. HUANG: DAN BERNAL.
11	MR. BERNAL: PRESENT.
12	MR. HUANG: MARIA BONNEVILLE.
13	VICE CHAIR BONNEVILLE: PRESENT.
14	MR. HUANG: LEONDRA CLARK-HARVEY.
15	ANNE-MARIE DULIEGE. MARK FISCHER-COLBRIE.
16	MR. FISCHER-COLBRIE: HERE.
17	MR. HUANG: YSABEL DURON. MARK
18	FISCHER-COLBRIE.
19	DR. FISCHER-COLBRIE: HERE.
20	MR. HUANG: FRED FISHER.
21	DR. FISHER: HERE.
22	MR. HUANG: ELENA FLOWERS.
23	DR. FLOWERS: PRESENT.
24	MR. HUANG: DAVID HIGGINS.
25	DR. HIGGINS: PRESENT.
	4

1	MR. HUANG: VITO IMBASCIANI.
2	CHAIRMAN IMBASCIANI: HERE.
3	MR. HUANG: STEPHEN JUELSGAARD.
4	MR. JUELSGAARD: PRESENT.
5	MR. HUANG: RICH LAJARA.
6	MR. LAJARA: PRESENT.
7	MR. HUANG: LAUREN MILLER-ROGEN.
8	MS. MILLER-ROGEN: HERE.
9	MR. HUANG: JOE PANETTA.
10	MR. PANETTA: HERE.
11	MR. HUANG: MARVIN SOUTHARD.
12	DR. SOUTHARD: HERE.
13	MR. HUANG: KAROL WATSON. KEVIN XU.
14	MR. XU: HERE.
15	MR. HUANG: THANK YOU. WE HAVE QUORUM.
16	CHAIRMAN IMBASCIANI: THANK YOU VERY MUCH,
17	BEN.
18	SO OUR FIRST ORDER OF BUSINESS IS THE
19	CONSIDERATION OF APPLICATIONS THAT HAVE BEEN
20	SUBMITTED IN RESPONSE TO CLINICAL TRIAL STAGE
21	PROJECTS IN THE ANNOUNCEMENTS FOR CLIN1 AND 2. I'M
22	GOING TO ASK HAYLEY LAM. I SEE YOU THERE. YOU CAN
23	MAKE THE PRESENTATIONS. THANK YOU.
24	DR. LAM: THANK YOU. GOOD MORNING TO THE
25	BOARD. I'M GOING TO SHARE MY SCREEN. HOPEFULLY YOU
	- -
	5

1	CAN ALL SEE THAT.
2	SO I'LL TAKE YOU THROUGH THE SLIDES. GOOD
3	MORNING, EVERYONE. AS ALWAYS, WE BEGIN WITH OUR
4	MISSION STATEMENT: ACCELERATING WORLD-CLASS SCIENCE
5	TO DELIVER TRANSFORMATIVE REGENERATIVE MEDICINE
6	TREATMENTS IN AN EQUITABLE MANNER TO A DIVERSE
7	CALIFORNIA AND WORLD.
8

	133 HENNA COURT. SANDPOINT. IDAHO 83864

1	THE CURRENT CLINICAL BUDGET STATUS FOR THE
2	FISCAL YEAR HAS A TOTAL ALLOCATION OF 252 MILLION.
3	168 MILLION HAS ALREADY BEEN APPROVED BY THIS GROUP
4	HERE. AND TODAY'S TOTAL AMOUNT REQUESTED ACROSS THE
5	FOUR APPLICATIONS IS 35.2 MILLION.
6	AS A REMINDER OF SORT OF THE STRUCTURE OF
7	THE PROGRAM, THE SCIENTIFIC SCORING SYSTEM FOR THE
8	CLINICAL PROGRAM IS SCORES OF 1, 2, AND 3. A 1 IS A
9	RECOMMENDATION FOR FUNDING. A 2 APPLICATION IS NOT
10	RECOMMENDED AT THIS TIME, BUT THE APPLICANT CAN
11	RETURN WITH A RESUBMISSION AND SHOULD HAVE SORT OF A
12	RECOMMENDATION THAT CAN BE REVISED AND ADDRESSED IN
13	A RESUBMISSION. A SCORE OF 3 IS A DO NOT RECOMMEND
14	FOR FUNDING, AND THE PANEL BELIEVES THAT THE
15	APPLICATION IS SUFFICIENTLY FLAWED THAT IT DOESN'T
16	WARRANT FUNDING AND THE SAME PROJECT CANNOT BE
17	RESUBMITTED FOR AT LEAST SIX MONTHS.
18	THE CRITERIA THAT ARE USED TO SCORE THE 1,
19	2, AND 3 ARE AS FOLLOWS: NO. 1, SORT OF THE OVERALL
20	VALUE AND IMPACT OF THE PROJECT, DOES IT HAVE THAT?
21	NO. 2, IS THE RATIONALE SOUND? SO DOES IT HAVE THE
22	DATA TO SUPPORT MOVING FORWARD? THREE, IS THE
23	PROJECT WELL PLANNED AND DESIGNED? SO DOES THE
24	PROJECT THE APPLICANT IS SEEKING FUNDING FOR HAVE
25	THE RIGHT ACTIVITIES TO REACH THE GOAL FOR THAT

7

1	PARTICULAR CALL AND PA? NO. 4, IS THE PROJECT
2	FEASIBLE, AND DO THEY HAVE THE PEOPLE AND ALL OF THE
3	PIECES IN PLACE TO EXECUTE? AND NO. 5, DOES THE
4	PROJECT UPHOLD PRINCIPLES OF DIVERSITY, EQUITY, AND
5	INCLUSION?
6	AT CIRM HERE WE SCORE A SEPARATE SCORE FOR
7	DIVERSITY, EQUITY, AND INCLUSION IN ADDITION TO THE
8	SCIENTIFIC SCORE. THE DEI SCORE IS A SCORE OF ZERO
9	TO 10, 10 BEING THE MOST OUTSTANDING RESPONSE AND
10	SORT OF A SCALE BETWEEN THAT. THE DEI SCORE IS
11	SCORED BY ALL GWG BOARD MEMBERS WITH NO CONFLICT.
12	THE COMPOSITION OF THE GROUP THAT SCORES
13	BOTH THE SCIENTIFIC AND THE DEI SCORES IS AS
14	FOLLOWS: WE HAVE UP TO 15 SCIENTIFIC GRANTS WORKING
15	GROUP MEMBERS THAT PROVIDE A SCIENTIFIC SCORE ON ALL
16	THE APPLICATIONS AND THEY EVALUATE ACCORDING TO
17	THEIR DISEASE AREA EXPERTISE, REGULATORY,
18	MANUFACTURING, AND PRODUCT DEVELOPMENT.
19	WE HAVE OUR GRANTS WORKING GROUP BOARD
20	MEMBERS WHO PROVIDE A DEI EVALUATION AND PROVIDE A
21	PATIENT INSIGHT ON TO THE APPLICATIONS, AND THEY
22	PROVIDE DEI SCORES ON ALL APPLICATIONS AS SUGGESTED
23	SCIENTIFIC SCORES.
24	AND FINALLY, WE ALSO HAVE SPECIALISTS,
25	NONVOTING SCIENTISTS, THAT WE CALL IN ON AN AD HOC
	8

1	BASIS FOR APPLICATIONS FOR WHICH WE DON'T HAVE
2	EXPERTISE COVERAGE WITHIN OUR GRANTS WORKING GROUP.
3	AND MOVING ON TO THE APPLICATIONS TODAY.
4	SO HOW COME MY SLIDES AREN'T ADVANCING?
5	SO THE FIRST APPLICATION UP FOR DISCUSSION
6	TODAY IS CLIN1-15343. THIS IS A PHASE 1 STUDY FOR
7	EVALUATING THE SAFETY AND EFFICACY OF AN ALLOGENEIC
8	CELL THERAPY IN SUBJECTS WITH CLEAR CELL RENAL CELL
9	CARCINOMA. AND THE THERAPY IS AN ALLOGENEIC
10	APPROACH OF CAR-T CELLS. THE INDICATION, AGAIN, AS
11	INDICATED IN THE TITLE, IS FOR ADVANCED OR
12	METASTATIC CLEAR CELL OR RENAL CELL CARCINOMA.
13	AND THE GOAL FOR THIS PROJECT IS TO
14	COMPLETE A PHASE 1B TRIAL. FUNDS REQUESTED FROM
15	CIRM IS AN EVEN 15 MILLION, AND THE APPLICANT IS
16	CO-FUNDING A LITTLE BIT OVER 42.6 MILLION.
17	A LITTLE BIT MORE ABOUT THIS APPLICATION.
18	SO A BACKGROUND ON THE RENAL CELL CARCINOMA. IT'S
19	ONE OF THE MOST COMMON TYPES OF KIDNEY CANCER IN
20	ADULTS. THE CURRENT STANDARD OF CARE INCLUDES
21	SURGERY AND IMMUNOTHERAPY, BUT THERE'S LIMITED
22	OPTIONS BEYOND THAT FOR PATIENTS WHEN OR IF THE
23	CANCER REOCCURS.
24	THE PROPOSED THERAPY, THERE'S A COUPLE
25	MODIFICATIONS IN THE THERAPY THAT AIM TO IMPROVE THE
	0
	9

1	TUMOR KILLING BY THE PATIENT T-CELLS. AND IF
2	SUCCESSFUL, IT HOPEFULLY CAN BE APPLIED TO SIMILAR
3	APPROACHES IN OTHER CANCERS.
4	IN ADDITION, THIS IS AN OFF-THE-SHELF OR
5	THIS WOULD BE AN OFF-THE-SHELF THERAPY WHICH COULD
6	POTENTIALLY SHORTEN THE TIMELINE TO TREATMENT TO
7	IMPROVE THE PATIENT ACCESS AS COMPARED TO AUTOLOGOUS
8	TREATMENTS WHERE THE CELLS HAVE TO BE HARVESTED AND
9	THEN PREPARED FOR TREATMENT, WHICH TAKES A LONGER
10	TIMELINE.
11	AND THIS PROJECT IS A GENETIC MANIPULATION
12	OF T-CELLS, WHICH IS WHY IT FALLS UNDER CIRM'S
13	PURVIEW. THERE ARE CURRENTLY NO CURRENT PORTFOLIO
14	PROJECTS IN THE TRANSLATIONAL AND CLINICAL STAGE
15	THAT ADDRESS KIDNEY CANCER. AND THE APPLICANT TEAM
16	HAS NOT RECEIVED PRIOR CIRM FUNDING.
17	SO IN SUMMARY, THE RECOMMENDATION FROM THE
18	GRANTS WORKING GROUP WAS A UNANIMOUS VOTE OF A
19	RECOMMENDATION FOR FUNDING OF TIER I. THE DEI SCORE
20	ON THIS APPLICATION WAS A 7, AND THE CIRM TEAM
21	RECOMMENDATION CONCURS WITH THE GRANTS WORKING GROUP
22	FOR A TOTAL CIRM AWARD AMOUNT ASK OF 15 MILLION.
23	PASS IT BACK. OH, THERE'S A QUESTION? I
24	CAN'T HEAR YOU. YOU'RE MUTED AGAIN.
25	MR. JUELSGAARD: SORRY ABOUT THAT. NO,
	10

1	IT'S JUST A QUESTION THAT HAS TO DO WITH THE VERY
2	LAST PART OF THIS. THE CIRM AWARD AMOUNT IS 15
3	MILLION, BUT THERE'S AN ASTERISK TO SAY THAT THE
4	FINAL AWARD AMOUNT SHALL NOT EXCEED THIS AMOUNT AND
5	MAY BE REDUCED ON CIRM'S FINAL ASSESSMENT OF
6	ALLOWABLE COSTS AND ACTIVITIES.
7	SO THIS APPEARS TO BE AN OUT-OF-STATE
8	COMPANY BASED ON WITHOUT KNOWING ANYTHING MORE,
9	BUT MY ASSESSMENT OF WHAT'S BEING PRESENTED. AND
10	WHAT THEY HAVE IS THEY HAVE A MANUFACTURING FACILITY
11	AT LEAST FOR CLINICAL MATERIAL IN CALIFORNIA. AND
12	TWO OF THE 17 SITES ARE REPORTED TO BE CALIFORNIA
13	SITES FOR THE CLINICAL STUDIES. SO THAT'S THEIR
14	CONNECTION TO CALIFORNIA.
15	DR. LAM: I JUST I'M SORRY TO
16	INTERRUPT, BUT IT IS AS FAR AS I KNOW, IT IS A
17	CALIFORNIA ENTITY.
18	MR. JUELSGAARD: OKAY. WHAT WOULD BE
19	HELPFUL, I THINK, IN THESE PRESENTATIONS IS TO
20	DESIGNATE WHETHER THEY ARE CALIFORNIA BASED; THAT
21	IS, THEIR HEADQUARTERS ARE IN CALIFORNIA, OR WHETHER
22	THEY'RE NOT BECAUSE THE LITTLE BIT THAT I READ WAS
23	THEY WERE GOING TO MANUFACTURE HERE, AND THEY WERE
24	GOING TO DO TWO OF 17 CLINICAL TRIALS HERE. I JUST
25	WANTED TO BE SURE THAT, AS I UNDERSTAND IT, THAT

1	WHATEVER WE PAY THEM IS FOR THEIR ACTIVITY IN
2	CALIFORNIA AND NOT FOR ACTIVITY OUTSIDE OF THE
3	STATE.
4	DR. LAM: ABSOLUTELY. WE CAN START ADDING
5	THAT TO THE SLIDES. I'LL HAVE TO THINK ABOUT THE
6	BEST SPOT MAYBE, BUT DEFINITELY CAN DO THAT.
7	MR. JUELSGAARD: I DON'T KNOW IF ANY OF
8	THE OTHERS THAT ARE COMING UP, THE NEXT ONE MAY BE A
9	NON-CALIFORNIA COMPANY. BUT AS WE BEGIN TO FOCUS ON
10	WHAT WE'RE GOING TO FUND IN THE FUTURE, ONCE WE GET
11	PAST THE END OF MAY OR WHATEVER, I THINK ONE OF THE
12	THINGS WE OUGHT TO TAKE A LOOK AT IS THE DEGREE OF
13	CALIFORNIA CONNECTION THAT THE APPLICANT HAS IN OUR
14	CONSIDERATION OF HOW TO FUND THEM BECAUSE IN SOME
15	CASES IT'S A LITTLE MORE TENUOUS THAN IN OTHERS.
16	THAT'S THE BASIS OF MY QUESTION IS I'M STARTING TO
17	THINK ABOUT WHERE WE MIGHT BE GOING HERE.
18	MR. AGUIRRE-SACASA: SORRY, STEVE. THIS
19	IS RAFAEL. IN THE PROGRAM ANNOUNCEMENT, THERE'S
20	CLEAR DELINEATION AS TO WHICH COSTS ARE ASSOCIATED
21	FOR, FOR EXAMPLE, IF IT'S A NON-CALIFORNIA
22	APPLICANT, BUT IT'S GENERALLY FOR ACTIVITIES
23	CONDUCTED IN CALIFORNIA OR FOR CALIFORNIA PATIENTS.
24	SO THERE IS SOME GUIDANCE ON THAT, AND I'M HAPPY TO
25	SEND THAT TO YOU.

12

1	DR. JUELSGAARD: THAT'S THE MONEY THEY'RE
2	ASKING FOR IS THAT AMOUNT. THEN THEY SAY, OKAY.
3	WELL, WE'RE GOING TO SPEND \$15 MILLION IN
4	CALIFORNIA. THAT'S HOW THEY MAKE THE APPLICATION.
5	DR. LAM: JUST TO KIND OF GIVE A LITTLE
6	BIT MORE INSIGHT INTO THE OVERALL PROCESS FOR THESE
7	CLINICAL APPLICATIONS, RIGHT NOW THE CURRENT PROCESS
8	IS EVERY APPLICATION THAT COMES THROUGH AND GOES TO
9	THE GRANTS WORKING GROUP HAS A FIRST LOOK BY OUR
10	GRANTS MANAGEMENT TEAM. AND THEY DO AN INITIAL
11	BUDGET REVIEW OF ALL THE APPLICATIONS TO JUST TAKE A
12	LOOK THAT EVERYTHING LOOKS SORT OF SQUARED AWAY, I
13	GUESS, AND TO BE GENERAL ABOUT IT IN TERMS OF WHAT
14	THEY'RE ASKING FOR BEING OVERALL WITHIN THE
15	ALLOWABLE COSTS FOR WHAT'S IN OUR PA'S IN TERMS OF
16	CALIFORNIA ORGANIZATIONS AND WHAT THEY ARE ALLOWED
17	TO REQUEST FUNDING FOR AND NON-CALIFORNIA AND WHAT
18	THEY'RE ALLOWED, THAT SORT OF THING.
19	SO THERE ARE INITIAL CHECKS ON THAT, BUT
20	LIKE THE ASTERISK INDICATES, WHICH WE HAVE ON EVERY
21	APPLICATION, ALL OF THE FUNDING APPROVED HERE IN
22	THIS COMMITTEE IS SUBJECT TO THE FINAL CONTRACTING
23	WITH EACH OF THOSE APPLICANTS OR ACTUAL AWARDEES AT
24	THIS POINT WHERE THE GRANTS MANAGEMENT WILL CONTINUE
25	WORKING WITH THOSE APPLICANTS AND DETERMINING

13

1	MAKING FINAL DECISIONS ON WHETHER ALL OF THOSE
2	ACTIVITIES ARE ALLOWABLE AND FALL UNDER CIRM
3	FUNDING.
4	MR. JUELSGAARD: GREAT. THANK YOU.
5	DR. CLARK-HARVEY: THIS IS LEONDRA. I'M
6	ON MY CELL PHONE. CAN'T FIND THE RAISE MY HAND
7	FUNCTION. I APOLOGIZE. I'M IN TRANSIT.
8	REALLY APPRECIATE THE QUESTION AND COMMENT
9	BROUGHT UP BY STEVE. AND ON THAT, I APPRECIATE THE
10	ANSWERS AND I WONDER IF IT WOULD BE HELPFUL TO CIRM
11	REVIEWERS AND STAFF AS WELL AS THE COMMITTEE IF WE
12	ACTUALLY ASK THEM TO SHARE HOW OR SHARE THE
13	SPECIFIC CALIFORNIA IMPACT. IT'S ONE THING TO SAY
14	WE EXPECT TO USE IT, AND THEN CIRM STAFF HAVING TO
15	DO THE CHECKS AND BALANCES. WHAT IF WE ASK THEM UP
16	FRONT AS PART OF THE APPLICATION TO IDENTIFY, MAYBE
17	IT'S AN EXTRA QUESTION, CONSIDERING WE WANT
18	CALIFORNIA IMPACT. CAN YOU EXPLAIN HOW THESE FUNDS
19	WILL BE UTILIZED SPECIFICALLY IN THIS STATE? IF
20	THERE IS A QUESTION THAT DOES THIS ALREADY, THEN MY
21	COMMENT IS MOOT; BUT IF NOT, IT MIGHT JUST BE
22	SOMETHING TO CONSIDER.
23	DR. LAM: THANK YOU.
24	MR. JUELSGAARD: I'M SORRY. JUST ONE
25	FOLLOW-UP. MY QUESTION IS PROBABLY MORE FUTURE
	14
	<u>+</u> 7

1	RELATED THAN ANYTHING. AND I THINK ONE OF THE
2	THINGS WE GET, JUST A SUGGESTION ON MY PART, THAT WE
3	THINK ABOUT GOING FORWARD IS WHETHER WE WANT TO
4	CONSIDER HAVING A STRONGER FILTER FOR THESE
5	APPLICATIONS RELATED TO THEIR ASSOCIATION WITH
6	CALIFORNIA SO THAT WE HAVE CERTAIN EXPECTATIONS THAT
7	HAVE TO BE MET IN ORDER FOR IT TO BE FUNDED AS A
8	CALIFORNIA PROJECT. AND I'M NOT SUGGESTING THAT WE
9	DO ANYTHING ABOUT THESE, BUT IT'S MORE FUTURE
10	LOOKING BECAUSE I KNOW WE HAVE FUNDED THINGS IN THE
11	PAST WHERE ONLY PART OF THE WORK THE COMPANIES
12	ARE NOT CALIFORNIA COMPANIES, AND ONLY PART OF THE
13	WORK IS BEING DONE IN CALIFORNIA. AND I WONDER IF
14	WE WANT TO CONTINUE THAT OR NOT.
15	BUT ANYWAY, I DON'T WANT TO HAVE A MAJOR
16	DISCUSSION. IT'S JUST THESE BEGIN TO ASK BEG THE
17	QUESTIONS FROM MY POINT OF VIEW.
18	DR. THOMAS: STEVE, JUST TWO SECONDS VERY
19	QUICKLY. THAT SORT OF THING IS ONE OF VERY MANY
20	CONSIDERATIONS THAT ARE LOOKED AT IN THE WHOLE
21	REPRIORITIZATION PROCESS. SO THANK YOU FOR THAT
22	INPUT.
23	MR. JUELSGAARD: SURE.
24	CHAIRMAN IMBASCIANI: ANY OTHER QUESTIONS?
25	THE CHAIR WILL ENTERTAIN A MOTION.
	15

1	MR. HUANG: HAYLEY, WAS THERE A CONFLICT
2	SLIDE?
3	DR. LAM: YES.
4	MR. JUELSGAARD: MARIA BONNEVILLE.
5	CO-CHAIR BONNEVILLE: NO. NOT THIS ONE.
6	MR. JUELSGAARD: I'LL MOVE APPROVAL.
7	DR. SOUTHARD: SECOND.
8	CHAIRMAN IMBASCIANI: MARV SOUTHARD
9	SECONDED IT. OKAY. DEPUTY COUNSEL HUANG CAN CALL
10	THE ROLL.
11	MR. HUANG: DAN BERNAL.
12	MR. BERNAL: AYE.
13	MR. HUANG: LEONDRA CLARK-HARVEY.
14	DR. CLARK-HARVEY: AYE.
15	MR. HUANG: MARK FISCHER-COLBRIE.
16	MR. FISCHER-COLBRIE: YES.
17	MR. HUANG: YSABEL DURON. FRED FISHER.
18	DR. FISHER: AYE.
19	MS. DURON: I'M SORRY. I WAS ON MUTE.
20	YES.
21	MR. HUANG: I GOT FRED'S VOTE. ELENA
22	FLOWERS.
23	DR. FLOWERS: YES.
24	MR. HUANG: DAVID HIGGINS.
25	DR. HIGGINS: YES.
	16
	TO

1	MR. HUANG: VITO IMBASCIANI.
2	CHAIRMAN IMBASCIANI: YES.
3	MR. HUANG: STEPHEN JUELSGAARD.
4	MR. JUELSGAARD: YES.
5	MR. HUANG: RICH LAJARA.
6	MR. LAJARA: YES.
7	MR. HUANG: LAUREN MILLER-ROGEN. JOE
8	PANETTA.
9	MR. PANETTA: YES.
10	MR. HUANG: MARVIN SOUTHARD.
11	DR. SOUTHARD: YES.
12	MR. HUANG: KAROL WATSON. KEVIN XU.
13	MR. XU: YES.
14	MR. HUANG: THE MOTION PASSES.
15	DR. DULIEGE: DR. DULIEGE VOTED YES.
16	CHAIRMAN IMBASCIANI: IS THERE ANYONE ELSE
17	ON THE LINE THAT DID NOT HAVE THEIR VOTE RECORDED?
18	LAUREN DID. I THINK IT WAS
19	MS. MANDAC: LAUREN, ONE LAST CALL. IT'S
20	OKAY. THE MOTION CARRIES.
21	CHAIRMAN IMBASCIANI: OKAY. GREAT. IS
22	THERE ANY MEMBER OF THE PUBLIC THAT WOULD LIKE TO
23	ADDRESS CLIN2-15343?
24	MS. MANDAC: THERE ARE NO HANDS RAISED.
25	CHAIRMAN IMBASCIANI: OKAY. HAYLEY, CAN
	17
	17

1	YOU TAKE US TO THE NEXT APPLICATION.
2	DR. LAM: YES. THANK YOU. FOR THE NEXT
3	APPLICATION, WE HAVE ONE CONFLICT WITH A BOARD
4	MEMBER. AND THE APPLICATION IS CLIN2-15282. LET'S
5	SEE IF I CAN GET THROUGH THIS ALPHABET HERE.
6	RPESC-RPE THERAPY FOR DRY AGE-RELATED MACULAR
7	DEGENERATION. AND THE THERAPY IS RETINAL PIGMENT
8	EPITHELIAL STEM CELL-DERIVED RPE CELLS. THE
9	INDICATION IS FOR DRY AGE-RELATED MACULAR
10	DEGENERATION. AND THE GOAL FOR THIS PROJECT IS TO
11	COMPLETE A PHASE $1/2$ A TRIAL. THE FUNDS REQUESTED
12	FOR THIS APPLICATION IS JUST OVER 4 MILLION WITH THE
13	CO-FUNDING OF 3.3 MILLION.
14	A LITTLE BIT MORE ABOUT THIS APPLICATION.
15	SO DRY AGE-RELATED MACULAR DEGENERATION IS
16	ESSENTIALLY A BLINDING DISEASE OVER THE LONG TERM
17	AND IS DUE TO THE LOSS OF THE RETINAL PIGMENT
18	EPITHELIAL CELLS. THERE ARE FEW STANDARD OF CARE
19	TREATMENTS AVAILABLE, BUT ALL OF THEM AT THIS POINT
20	SLOW PROGRESSION, BUT DO NOT IMPROVE AND/OR RESTORE
21	VISION.
22	THE VALUE OF THE PROPOSED THERAPY IS TO
23	REPLACE THE CELLS, RPE CELLS, THAT HAVE BEEN LOST
24	DUE TO DISEASE. AND THERE IS SOME EARLY EVIDENCE
25	THAT THIS THERAPY HAS THE POTENTIAL TO IMPROVE
	10

18

1	VISION IN PATIENTS WITH DRY AMD. AND IN TERMS OF
2	THE RELEVANCE TO CIRM, THIS PROJECT, THE THERAPY, IS
3	COMPOSED OF CELLS DERIVED FROM RETINAL PIGMENT
4	EPITHELIAL STEM CELLS.
5	SIMILAR CIRM PORTFOLIO PROJECTS. SO THERE
6	ARE SEVERAL PROJECTS THAT ARE ALSO RELATED TO
7	AGE-RELATED MACULAR DEGENERATION AT SORT OF
8	DIFFERENT STAGES. AND IN TERMS OF INDICATION, AS
9	WELL AS THE AWARD, WE HAVE A COUPLE OF TRAN1 AWARDS
10	AND ONE CLIN1 AND ONE CLIN2.
11	THE PRIOR FUNDING TO THE CIRM APPLICANT
12	TEAM, THEY'VE NOT RECEIVED A PRIOR CIRM AWARD.
13	AND THE RECOMMENDATION OF THE GRANTS
14	WORKING GROUP WAS A UNANIMOUS RECOMMENDATION TO FUND
15	OF A TIER I WITH 15 VOTES. AND THE OVERALL
16	DIVERSITY, EQUITY, INCLUSION SCORE WAS AN 8 FROM THE
17	BOARD MEMBERS, AND THE CIRM TEAM RECOMMENDATION
18	CONCURS WITH THE GRANTS WORKING GROUP FOR A TOTAL
19	AMOUNT REQUESTED TODAY OF JUST OVER 4 MILLION.
20	THANK YOU. PASS IT BACK, DR. IMBASCIANI.
21	CHAIRMAN IMBASCIANI: WHAT WAS THE
22	CONFLICT ON THIS ONE?
23	MS. MANDAC: YSABEL DURON.
24	MS. DURON: THANK YOU.
25	CHAIRMAN IMBASCIANI: THANK YOU. OKAY.
	19

1	QUESTIONS WE TECHNICALLY SHOULD START WITH A
2	MOTION TO CONSIDER. AND THEN ANY QUESTIONS OR
3	POINTS OF INFORMATION CAN BE DIRECTED TOWARD THE
4	TEAM.
5	DR. SOUTHARD: MOVED.
6	CHAIRMAN IMBASCIANI: MARV, YOU'RE MAKING
7	A MOTION TO WHAT?
8	DR. SOUTHARD: AS YOU SUGGESTED.
9	DR. CLARK-HARVEY: SECOND.
10	CHAIRMAN IMBASCIANI: THANK YOU, LEONDRA.
11	FLOOR IS OPEN TO DISCUSSION FROM MEMBERS OF THE
12	BOARD. IS THERE ANY MEMBER OF THE GENERAL PUBLIC
13	THAT WOULD LIKE TO COMMENT ON THIS?
14	MS. MANDAC: THERE ARE NO HANDS RAISED.
15	CHAIRMAN IMBASCIANI: THERE ARE NO HANDS
16	RAISED. BEN, I THINK IT'S UP TO YOU TO TAKE THE
17	ROLL.
18	MR. HUANG: DAN BERNAL.
19	MR. BERNAL: AYE.
20	MR. HUANG: MARIA BONNEVILLE.
21	CO-CHAIR BONNEVILLE: YES.
22	MR. HUANG: LEONDRA CLARK-HARVEY.
23	DR. CLARK-HARVEY: AYE.
24	MR. HUANG: ANNE-MARIE DULIEGE.
25	DR. DULIEGE: AYE.
	20

1	MR. HUANG: MARK FISCHER-COLBRIE.
2	MR. FISCHER-COLBRIE: YES.
3	MR. HUANG: FRED FISHER.
4	DR. FISHER: YES.
5	MR. HUANG: ELENA FLOWERS.
6	DR. FLOWERS: YES.
7	MR. HUANG: DAVID HIGGINS.
8	DR. HIGGINS: YES.
9	MR. HUANG: VITO IMBASCIANI.
10	CHAIRMAN IMBASCIANI: YES.
11	MR. HUANG: STEPHEN JUELSGAARD.
12	MR. JUELSGAARD: YES.
13	MR. HUANG: RICH LAJARA.
14	MR. LAJARA: YES.
15	MR. HUANG: LAUREN MILLER-ROGEN.
16	MS. MILLER-ROGEN: YES.
17	MR. HUANG: JOE PANETTA.
18	MR. PANETTA: YES.
19	MR. HUANG: MARVIN SOUTHARD.
20	DR. SOUTHARD: YES.
21	MR. HUANG: KEVIN XU.
22	MR. XU: YES.
23	MR. HUANG: THE MOTION PASSES.
24	CHAIRMAN IMBASCIANI: GOOD. THANK YOU.
25	HAYLEY, THE NEXT APPLICATION, 15311.
	21

1	DR. LAM: 15311, WE'VE GOT A COUPLE OF
2	FOLKS THAT ARE CONFLICTED ON THIS ONE. JUST FOR THE
3	SAKE OF NO CONFUSION HERE, DAN, YSABEL, ELENA, AND
4	CHRIS.
5	SO THE APPLICATION IS CLIN2-15311, A PHASE
6	1/2A STUDY TO EVALUATE THE EFFICACY OF A GENE
7	THERAPY WITH STANDARD OF CARE THERAPY IN NEWLY
8	DIAGNOSED HIGH-GRADE GLIOMA.
9	THE THERAPY IS A RETROVIRAL VECTOR WHICH
10	CONVERTS A PRODRUG TO AN ANTICANCER DRUG. AND THE
11	INDICATION IS, AGAIN, NEWLY DIAGNOSED HIGH-GRADE
12	GLIOMA.
13	AND THE GOAL OF THIS PROJECT IS TO
14	COMPLETE A PHASE $1/2$ A TRIAL. FUNDS REQUESTED FROM
15	CIRM ARE 11.8 MILLION, JUST OVER THAT, AND THERE IS
16	NO CO-FUNDING FROM THIS APPLICANT.
17	LITTLE BIT MORE ABOUT THE PROJECT. SO
18	HIGH-GRADE GLIOMAS ARE THE MOST COMMON PRIMARY BRAIN
19	TUMOR IN ADULTS, AND THEY HAVE OVERALL POOR
20	PROGNOSIS. THE CURRENT STANDARD OF CARE IS SURGERY
21	TO REMOVE THE TUMOR FOLLOWED BY RADIATION AND
22	CHEMOTHERAPY. AND THE MEDIAN OVERALL SURVIVAL WITH
23	THE STANDARD OF CARE TREATMENT IS LESS THAN 15
24	MONTHS.
25	THE PROPOSED THERAPY AIMS TO SORT OF
	22

1	ACTIVATE AN ANTICANCER DRUG ONLY IN CANCER CELLS AND
2	WORK IN COMBINATION WITH STANDARD OF CARE
3	TREATMENTS. SO THE AIM HERE IS TO PROVIDE LOCALIZED
4	KILLING OF THE CANCER CELLS AND ULTIMATELY COULD
5	INCREASE THE SURVIVAL FOR PATIENTS. AND THE
6	RELEVANCE TO CIRM HERE IS THAT THE THERAPY IS A GENE
7	THERAPY APPROACH.
8	SIMILAR CIRM PORTFOLIO PROJECTS. SO WE
9	HAVE QUITE A BIT OF FUNDING IN THE CLIN2 CLINICAL
10	TRIAL FOR SIMILAR BRAIN CANCERS. THEY'RE ALL PHASE
11	1S, AND THEY ARE ACTUALLY ALL AUTOLOGOUS CAR-T
12	APPROACHES.
13	THE APPLICANT TEAM HAS RECEIVED PRIOR CIRM
14	FUNDING, AND BOTH OF THOSE WERE MUCH EARLIER STAGE
15	RESEARCH. AND ONE OF THEM WAS RELATED TO THE
16	CURRENT AWARD IN THAT IT INVOLVES THE SAME VIRUS.
17	THE GRANTS WORKING GROUP RECOMMENDED THIS
18	APPLICATION FOR FUNDING WITH A UNANIMOUS VOTE OF $15$
19	VOTES FOR TIER I. THE BOARD MEMBERS SCORED THIS
20	APPLICATION ON DEI AT AN 8, AND THE CIRM TEAM
21	CONCURS WITH THE RECOMMENDATION TO FUND FOR THE
22	TOTAL AWARD AMOUNT OF 11.8 MILLION.
23	THANK YOU.
24	CHAIRMAN IMBASCIANI: THANK YOU, HAYLEY,
25	FOR THE PRESENTATION.
	23
	٢٦

1	THE CHAIR WILL ENTERTAIN FROM ANY MEMBER
2	OF THE APPLICATION REVIEW SUBCOMMITTEE THAT IS NOT
3	IN CONFLICT A MOTION TO FUND.
4	DR. SOUTHARD: MARV SOUTHARD MAKES THE
5	MOTION TO FUND.
6	CHAIRMAN IMBASCIANI: THANK YOU, MARVIN.
7	DR. CLARK-HARVEY: SECOND.
8	CHAIRMAN IMBASCIANI: THANK YOU, LEONDRA.
9	FLOOR IS OPEN TO DISCUSSION OR QUESTIONS FROM BOARD
10	MEMBERS.
11	AND SO I'D LIKE TO INVITE ANY MEMBER OF
12	THE PUBLIC WITH OPINIONS ON THIS APPLICATION TO COME
13	FORWARD.
14	MS. MANDAC: THERE ARE NO HANDS RAISED.
15	CHAIRMAN IMBASCIANI: OKAY. THEN, BEN, WE
16	CAN PROCEED TO THE FORMAL VOTE.
17	MR. HUANG: MARIA BONNEVILLE.
18	VICE CHAIR BONNEVILLE: YES.
19	MR. HUANG: LEONDRA CLARK-HARVEY.
20	DR. CLARK-HARVEY: YES.
21	MR. HUANG: ANNE-MARIE DULIEGE.
22	DR. DULIEGE: YES.
23	MR. HUANG: MARK FISCHER-COLBRIE.
24	MR. FISCHER-COLBRIE: YES.
25	MR. HUANG: FRED FISHER.
	24

1	DR. FISHER: YES.
2	MR. HUANG: DAVID HIGGINS.
3	DR. HIGGINS: YES.
4	MR. HUANG: VITO IMBASCIANI.
5	CHAIRMAN IMBASCIANI: YES.
6	MR. HUANG: STEPHEN JUELSGAARD.
7	MR. JUELSGAARD: YES.
8	MR. HUANG: RICH LAJARA.
9	MR. LAJARA: YES.
10	MR. HUANG: LAUREN MILLER-ROGEN.
11	MS. MILLER-ROGEN: YES.
12	MR. HUANG: JOE PANETTA.
13	MR. PANETTA: YES.
14	MR. HUANG: MARVIN SOUTHARD.
15	DR. SOUTHARD: YES.
16	MR. HUANG: KEVIN XU.
17	MR. XU: YES.
18	MR. HUANG: THE MOTION PASSES.
19	CHAIRMAN IMBASCIANI: GREAT. THANK YOU,
20	BEN.
21	AND, HAYLEY, WE CAN MOVE ON TO
22	CLIN1-14852. THANK YOU.
23	DR. LAM: ALL RIGHT. THANK YOU. WE HAVE
24	ONE CONFLICT HERE WITH YSABEL.
25	CLIN1-14852, SO THIS ONE IS IND-ENABLING
	25

1	STUDIES FOR A SECOND GENERATION VACCINE TARGETING
2	GLIOBLASTOMA. AND THIS THERAPY IS A VACCINE
3	DESIGNED TO ENHANCE IMMUNE RESPONSE AGAINST TUMORS
4	EXPRESSING EGFRVIII. THE INDICATION HERE IS
5	GLIOBLASTOMA, AND THE GOAL OF THIS PROJECT IS TO
6	HAVE AN APPROVED IND FROM THE FDA TO INITIATE A
7	PHASE 1 TRIAL.
8	THE FUNDS REQUESTED ON THIS APPLICATION IS
9	4.367 MILLION, AND NO CO-FUNDING IS PROVIDED FROM
10	THE APPLICANT FOR THIS PARTICULAR APPLICATION.
11	A LITTLE BIT MORE BACKGROUND ON THIS ONE.
12	SO SIMILAR TO THE PRIOR APPLICATION ACTUALLY, SO
13	IT'S ALSO A BRAIN CANCER APPLICATION AND IT'S A
14	CRITICAL UNMET NEED. IT'S A COMMON BRAIN TUMOR, AND
15	THE SURVIVAL RATE IS VERY LOW.
16	THE CURRENT STANDARD OF CARE, AS I JUST
17	MENTIONED AS WELL, IS SIMILAR HERE. SO SURGERY TO
18	REMOVE THE TUMOR FOLLOWED BY RADIATION AND
19	CHEMOTHERAPY. AND DESPITE THIS, THE SURVIVAL IS
20	STILL LOW. THE PROPOSED THERAPY MAY IMPROVE THE
21	SURVIVAL OF PATIENTS WITH GLIOBLASTOMA THAT EXPRESS
22	THIS MARKER.
23	AND IN TERMS OF THE RELEVANCE TO CIRM
24	HERE, IT'S A VACCINE THAT TARGETS CANCER STEM CELLS.
25	AGAIN, THIS SLIDE MIGHT LOOK FAMILIAR TO YOU. IT'S
	26

-	
1	THE SAME ONE THAT WE PRESENTED A FEW MINUTES AGO FOR
2	THE OTHER APPLICATION. THE CIRM PORTFOLIO PROJECTS
3	ARE THE SAME. THESE ARE THE FIVE PHASE 1 TRIALS
4	THAT CIRM IS CURRENTLY FUNDING FOR GLIOBLASTOMA.
5	THE APPLICANT HAS RECEIVED PRIOR CIRM
6	FUNDING FOR THE DISC2 AND TRANSLATIONAL. AND THE
7	TRANSLATIONAL AWARD WOULD BE A DIRECT PROGRESSION
8	EVENT IF THIS AWARD WAS FUNDED.
9	THE GRANTS WORKING GROUP DID NOT RECOMMEND
10	THIS APPLICATION FOR FUNDING AND HAD A UNANIMOUS
11	VOTE TO SCORE IT TIER III, WARRANTING NO FUNDING AT
12	THIS TIME AND THE RECOMMENDATION TO RESUBMIT IN
13	CANNOT RESUBMIT FOR AT LEAST SIX MONTHS.
14	THE DEI SCORE FROM THE BOARD MEMBERS WAS
15	AN 8, AND THE CIRM TEAM RECOMMENDATION CONCURS WITH
16	THE GRANTS WORKING GROUP TO NOT FUND THIS
17	APPLICATION FOR THE AWARD AMOUNT OF 4.367 MILLION.
18	THANK YOU.
19	CHAIRMAN IMBASCIANI: THANK YOU, HAYLEY.
20	SO, BOARD, AS IS CUSTOMARY, WE'LL
21	ENTERTAIN A MOTION FROM BOARD MEMBERS WHO WILL BE
22	FOLLOWED BY COMMENTS FROM MEMBERS AND FOLLOWED BY
23	COMMENTS FROM THE GENERAL PUBLIC. THE CHAIR WOULD
24	LIKE TO HEAR A MOTION FROM THE BOARD MEMBERS.
25	DR. FISHER: FRED FISHER MOVES NOT TO FUND
	27

CLIN1-14852. 1 CHAIRMAN IMBASCIANI: THANK YOU, FRED 2 3 FISHER. DR. SOUTHARD: MARV SOUTHARD SECONDS. 4 5 CHAIRMAN IMBASCIANI: WE HAVE A SECOND 6 WHICH OPENS THE FLOOR TO CONVERSATION FROM THE 7 BOARD. DISCUSSION AND QUESTIONS? MS. MANDAC: FRED HAS HIS HAND RAISED. 8 9 CHAIRMAN IMBASCIANI: THANK YOU. FRED, FLOOR IS YOURS. 10 DR. FISHER: NOT SPECIFIC TO THIS 11 PROPOSAL, BUT WHEN I SEE A LONG LIST OF OTHER CIRM 12 ACTIVITIES, IT RAISES THE QUESTION IN MY MIND, WHICH 13 14 I'M GATHERING WILL BE ADDRESSED BY THE GROUP LOOKING AT PRIORITIZATION, WHETHER OR NOT WE WILL ENTERTAIN 15 CAPPING PROPOSALS BASED ON THE NUMBER OF CIRM-FUNDED 16 17 PROJECTS FOR THE SAME INDICATION. SO JUST PUTTING THAT OUT THERE FOR THAT GROUP TO MULL ON. I'M NOT 18 19 SUGGESTING ONE WAY OR ANOTHER, BUT I THINK IT'S 20 PROBABLY WORTHY OF A CONVERSATION. CHAIRMAN IMBASCIANI: THANK YOU, FRED. I 21 22 THINK THE MULLERS ARE IN THE ROOM AND SHALL TAKE NOTE OF THAT. 23 VICE CHAIR BONNEVILLE: I THINK IT'S ALSO 24 25 IMPORTANT TO UNDERSTAND A LIST OF PROJECTS DOESN'T 28

1REALLY TELL US HOW THOSE PROJECTS ARE DOING. S02HAVING A LIST THAT ALLOCATES MONEY TOWARDS A3SPECIFIC DISEASE INDICATIONS DOES NOT NECESSARILY4GIVE US AN IDEA ON HOW THOSE PROGRAMS ARE5PROGRESSING AND WHETHER OR NOT WE'RE MAKING HEADWAY6IN THOSE PROGRAMS.7SO I THINK MOVING FORWARD, AFTER WE'VE8DETERMINED PRIORITIZATION OR CHANGING THE FUNDING9MODELS OR WHATEVER MIGHT COME OF IT, I THINK THAT10LIST MIGHT BE EXPANDED OR WE MIGHT TAKE A DIFFERENT11APPROACH TO IT IN ORDER TO GIVE THE BOARD A BIGGER12PICTURE AS TO WHAT'S GOING ON SPECIFICALLY.13CHAIRMAN IMBASCIANI: THANK YOU. DO YOU14SEE ANY OTHER HANDS FROM BOARD MEMBERS?15MS. MANDAC: NO.16CHAIRMAN IMBASCIANI: OKAY. THEN I CAN17OPEN THE FLOOR TO ANY MEMBER OF THE GENERAL PUBLIC18THAT WOULD LIKE TO ADDRESS THE BOARD. IT'S OUR19TRADITION. GO AHEAD.20MS. MANDAC: DR. WONG, YOU'LL HAVE THREE21MINUTES. I WILL KEEP TIME. SO AS SOON AS THE CLOCK22ENDS, I WILL ASK YOU TO STOP.23DR. WONG: CAN I MAKE ANOTHER COMMENT THAT24WOULD (UNINTELLIGIBLE) TO THAT. WE DO HAVE PROGRESS25ON A TRANSLATION ONE THAT'S NOT REFLECTED. WE HAVE		
<ul> <li>SPECIFIC DISEASE INDICATIONS DOES NOT NECESSARILY</li> <li>GIVE US AN IDEA ON HOW THOSE PROGRAMS ARE</li> <li>PROGRESSING AND WHETHER OR NOT WE'RE MAKING HEADWAY</li> <li>IN THOSE PROGRAMS.</li> <li>SO I THINK MOVING FORWARD, AFTER WE'VE</li> <li>DETERMINED PRIORITIZATION OR CHANGING THE FUNDING</li> <li>MODELS OR WHATEVER MIGHT COME OF IT, I THINK THAT</li> <li>LIST MIGHT BE EXPANDED OR WE MIGHT TAKE A DIFFERENT</li> <li>APPROACH TO IT IN ORDER TO GIVE THE BOARD A BIGGER</li> <li>PICTURE AS TO WHAT'S GOING ON SPECIFICALLY.</li> <li>CHAIRMAN IMBASCIANI: THANK YOU. 29	25	ON A TRANSLATION ONE THAT'S NOT REFLECTED. WE HAVE
		29

1	A PUBLICATION AS WELL AS TWO PATENTS. AND AS
2	DR. LAM MENTIONED, FOR OTHER CIRM-FUNDED AWARDS,
3	THEIR PROGRESS. SO I FEEL THAT'S VERY IMPORTANT
4	THAT WE DID ACCOMPLISH SOMETHING WITH THAT MONEY.
5	SO NOW I'D LIKE TO START MY PUBLIC
6	COMMENTS. SO THANKS FOR THE OPPORTUNITY TO ADDRESS
7	THE BOARD TODAY. I'VE SENT IN A VERY LENGTHY
8	REBUTTAL TO THE PREVIOUS REVIEW. AND THE REASON IS
9	THAT WE FELT EXTREMELY COMPELLED BASED ON THOSE
10	REVIEWS TO RESPOND BECAUSE WE FEEL THAT THERE'S MANY
11	IMPORTANT ASPECTS OVERLOOKED. IN FACT, ACTUALLY WE
12	CAN PRETTY MUCH NEGATE ANY CRITICISM THAT WAS
13	OFFERED. I REALLY HOPE THAT YOU CAN TAKE A LOOK AT
14	IT BECAUSE IT'S VERY COMPREHENSIVE.
15	BUT TODAY I ONLY HAVE THREE MINUTES OR
16	EVEN LESS NOW. AND I'M JUST GOING TO HIGHLIGHT
17	PARTICULAR ASPECTS THAT ILLUSTRATE WHY WE DON'T FEEL
18	THIS IS AN ACCURATE REVIEW.
19	FIRST OF ALL, WITH REGARDS TO RATIONALE,
20	THERE'S A QUESTION REGARDING THE PRESENCE AND
21	USEFULNESS OF EGFRVIII IN GLIOBLASTOMA. FIRST OF
22	ALL, WE WERE FUNDED THE TRANSLATIONAL AWARD A FEW
23	YEARS AGO. AND THEN VERY INTERESTINGLY JUST THREE
24	MONTHS AGO THE GWG REVIEWED AN APPLICATION ON
25	TARGETING EGFRVIII IN GLIOBLASTOMA STEM CELLS.

30

1	THERE WAS NO PROBLEMS WITH REVIEWING THAT AT THAT
2	TIME. YET IN OUR APPLICATION THERE'S A QUESTION
3	NOW. SO THAT IS UNCLEAR WHY THAT HAPPENED.
4	THERE IS ANOTHER QUESTION OF RATIONALE,
5	THAT THE VACCINE EFFECT ON CANCER STEM CELLS. THAT
6	IS PRESENTED IN FIGURE 6 IN THE APPLICATION. WE
7	ALSO CITE FIVE OTHER STUDIES, THREE OF WHICH ARE
8	CLINICAL TRIALS WHICH SHOW EFFECT OF THE VACCINE ON
9	CANCER STEM CELLS. SO, AGAIN, THAT INFORMATION IS
10	OVERLOOKED.
11	WITH REGARDS TO PLAN DESIGN AND ALSO
12	RATIONALE, THERE'S AN ENORMOUS QUESTION ABOUT OUR
13	TOXICOLOGY PLAN. I WANT TO POINT OUT THAT I AM THE
14	FIRST HOLDER OF THE IND ON THE ORIGINAL VACCINE. SO
15	I HAVE EXTENSIVE EXPERIENCE ON THAT. AS POINTED
16	OUT, WE COLLABORATED WITH CELLDEX, WHICH IS THE
17	COMPANY SPONSOR THAT NOW HOLDS THE IND. WE HAVE
18	THEIR PROTOCOL. WE ARE USING THE SAME CRO'S. THAT
19	PLAN MADE TOTAL SENSE. IN FACT, WHEN THE FDA
20	REVIEWED OUR PRE-IND REQUEST, THEY FELT THAT OUR
21	PRODUCT WAS SUFFICIENT AND OUR PLAN WAS GOOD. SO
22	THEY DIDN'T HAVE ANY PROBLEMS WITH THAT. SO I'M NOT
23	SURE WHERE THESE COMMENTS FROM THE REVIEWERS COME
24	OUT REGARDING OUR TOXICOLOGY.
25	AND THEN THERE IS A QUESTION OF BUYING THE
	31

1	MASS SPECTROMETER. THAT IS REALLY MORE TO
2	FACILITATE OUR WORK. WE COULD EASILY DELETE THAT
3	REQUEST AT NO IMPACT TO OUR WORK. THAT WILL BRING
4	OUR TOTAL PROJECT COST DOWN TO 3.4 MILLION,
5	INCLUSIVE OF IDC'S, PROBABLY THE MOST ECONOMIC
6	PROJECT THE OC PRESENTED.
7	AND FINALLY, WITH REGARDS TO IMPACT,
8	THERE'S A QUESTION ABOUT WHETHER OR NOT THIS VACCINE
9	IS GOING TO WORK. AND I WANT TO ILLUSTRATE THAT WE
10	REALLY ARE ON THE CUSP OF SUCCESS WITH THIS VACCINE.
11	SO, FIRST OF ALL, IT IS A SECOND GENERATION VACCINE.
12	IT ENHANCES PROTEOSOMAL PROCESSING. WE MADE A MAJOR
13	DISCOVERY THAT WAS PUBLISHED IN SCIENCE
14	TRANSLATIONAL MEDICINE TO FIGURE OUT HOW TO DO THAT.
15	I DO WANT TO BRING UP IF PEOPLE COULD LOOK AT FIGURE
16	4 IN MY REBUTTAL, THOSE TWO FIGURES SHOW CLINICAL
17	SUCCESS FOR THE PRIOR VERSION OF THE VACCINE. WE
18	CAN
19	MS. MANDAC: I'M SORRY, DR. WONG, TIME IS
20	UP.
21	DR. WONG: OKAY. SO I SHOULD
22	CHAIRMAN IMBASCIANI: FINISH THAT SENTENCE
23	PLEASE.
24	DR. WONG: SO THOSE ARE SUCCESSFUL
25	CLINICAL TRIALS THAT WE CAN REPLICATE WITH OUR
	32

1	SECOND GENERATION VACCINE. BECAUSE IT'S A MORE
2	ROBUST VERSION, WE REALLY FEEL THAT WE'RE GOING TO
3	HAVE SUCCESS ON IT. SO, AGAIN, WE'RE NEGATING WHAT
4	THE REVIEWERS SAID. THANK YOU.
5	CHAIRMAN IMBASCIANI: IS THERE ANY OTHER
6	MEMBER OF THE PUBLIC THAT I CAN'T SEE?
7	MS. MANDAC: NO. THERE ARE NO OTHER HANDS
8	RAISED.
9	CHAIRMAN IMBASCIANI: OKAY.
10	MR. HUANG: SO THIS IS A MOTION FOR
11	CLIN1-14852 TO NOT FUND.
12	CHAIRMAN IMBASCIANI: SO I GUESS YOU
13	SHOULD EXPLAIN WHAT A YES VOTE MEANS.
14	MR. HUANG: SO A YES VOTE WOULD BE NOT TO
15	FUND THIS PROJECT. A NO VOTE WOULD PUT US IN A
16	SITUATION WHERE WE WOULD PROBABLY NEED ANOTHER
17	MOTION.
18	CHAIRMAN IMBASCIANI: THANK YOU.
19	MR. HUANG: DAN BERNAL.
20	MR. BERNAL: (UNINTELLIGIBLE.)
21	CHAIRMAN IMBASCIANI: DAN, WE'RE HAVING
22	TROUBLE WITH YOUR RECEPTION. I'M HEARING A VOICE
23	THAT'S NOT YOURS.
24	MR. BERNAL: YES. THAT IS NOT COMING FROM
25	ME. MY VOTE IS AYE.
	33

1	MR. HUANG: MARIA BONNEVILLE.
2	VICE CHAIR BONNEVILLE: YES.
3	MR. HUANG: LEONDRA CLARK-HARVEY.
4	DR. CLARK-HARVEY: AYE.
5	MR. HUANG: ANNE-MARIE DULIEGE.
6	DR. DULIEGE: AYE.
7	MR. HUANG: MARK FISCHER-COLBRIE.
8	MR. FISCHER-COLBRIE: YES.
9	MR. HUANG: FRED FISHER.
10	DR. FISHER: YES.
11	MR. HUANG: ELENA FLOWERS.
12	DR. FLOWERS: YES.
13	MR. HUANG: DAVID HIGGINS.
14	DR. HIGGINS: YES.
15	MR. HUANG: VITO IMBASCIANI.
16	CHAIRMAN IMBASCIANI: YES.
17	MR. HUANG: STEPHEN JUELSGAARD.
18	MR. JUELSGAARD: YES.
19	MR. HUANG: RICH LAJARA.
20	MR. LAJARA: YES.
21	MR. HUANG: LAUREN MILLER-ROGEN.
22	MS. MILLER-ROGEN: YES.
23	MR. HUANG: JOE PANETTA.
24	MR. PANETTA: YES.
25	MR. HUANG: MARVIN SOUTHARD.
	34

1DR. SOUTHARD: YES.2MR. HUANG: KEVIN XU.3MR. XU: AYE.4MR. HUANG: THE MOTION PASSES.5CHAIRMAN IMBASCIANI: OKAY. THANK HAYL	ΕY
<ul> <li>3 MR. XU: AYE.</li> <li>4 MR. HUANG: THE MOTION PASSES.</li> </ul>	ΕY
4 MR. HUANG: THE MOTION PASSES.	EY
	EY
5 CHAIRMAN IMBASCIANI: OKAY. THANK HAYL	EY
6 AND THE ENTIRE GRANTS REVIEW TEAM FOR ALL OF THE	
7 WORK THAT WENT INTO EVALUATING THESE APPLICATIONS	
8 AND FOR YOUR PRESENTATION, HAYLEY. THANK YOU.	
9 AND THANKS, BEN, FOR DOING THE ASPECTS	ЭF
10 THIS. AND THANK THE MEMBERS OF THE PUBLIC FOR TH	EIR
11 PARTICIPATION.	
12 WE HAVE ANOTHER ITEM. ARE THERE ANY	
13 GENERAL COMMENTS THAT THE BOARD MEMBERS WANT TO M.	<b>AKE</b>
14 ON THE APPLICATION REVIEW PROCESS? NOTHING.	
15 IS THERE ANY MEMBER OF THE PUBLIC WHO	
16 WOULD LIKE TO MAKE ANY COMMENTS AND MEMBER OF	THE
17 GENERAL PUBIC WOULD LIKE TO MAKE A COMMENT ABOUT	
18 TODAY'S MEETING OR ABOUT ANY ITEM THAT WAS NOT ON	
19 TODAY'S AGENDA? HEARING NONE, I THANK YOU ALL FO	R
20 YOUR PARTICIPATION. THE MEETING IS ADJOURNED.	
21 (THE MEETING WAS THEN CONCLUDED AT 9:41 A.M.)	
22	
23	
24
