

## REVENUE SHARING OBLIGATIONS OF COMMERCIALIZING ENTITIES<sup>1</sup> UNDER CIRM REGULATIONS effective September 6, 2018

### WHO POTENTIALLY MUST SHARE REVENUE WITH THE STATE?

“Commercializing Entities” regardless of for-profit or non-profit status of CIRM Awardee.

A Commercializing Entity is any (1) entity that sells, offers for sale or transfers a Drug: (a) resulting in whole or in part from Regulatory Use; or (b) that is covered by, in whole or in part, a CIRM-Funded Invention; or (2) Awardee, Collaborator, or Exclusive Licensee who commercializes a non-Drug product or service resulting in whole or in part from an Award.

### WHAT REVENUE MUST BE SHARED WITH THE STATE GENERAL FUND?

Commercial Revenue: A Commercializing Entity that sells a product, drug, or service arising from CIRM-funded research must pay a royalty on commercial revenue to the State General Fund as follows: 0.1% per \$1 Million in award funds, for the earlier of ten (10) years or 9x the award amount.

**Example:** For an \$8 million award, the Commercializing Entity (either the original CIRM awardee if it produces the drug, or a licensee who does so) will owe less than a one percent royalty (0.8%) on commercial revenue for ten years (unless payments reach \$72 million before ten years have passed).

### WHEN IS THE REVENUE SHARING TRIGGERED?

Commercial revenue must be shared from the date of first commercial sale.

### WHAT IS THE “BLOCKBUSTER” PROVISION?

A 1% royalty to the State General Fund is owed for a limited time in the event CIRM participation in the project is significant (at least \$5 million in awards) the revenue exceeds
