Re: Consideration of Final Adoption MES Amendments: Section 100070

Action Required:

ICOC approval of final regulation, Section 100070. Proposed language recommended by the Standards Working Group is attached.

Background:

Section 100070

On [10/28/09](#) the ICOC considered and approved the [recommendations](#) from the [10/12/09](#) Standards Working Group (SWG) meeting.

CIRM Administrative Activities:

In accordance with the California Administrative Procedure Act, CIRM provided [notice](#) and posted on October 30, 2009, the [proposed amendments](#) affecting section 100070 of Title 17 of the California Code of Regulations for an additional 15-day public comment period.

No public comments were received on section 100070 and no changes from the version approved by the ICOC in October have been made

Recommendation: Staff recommends the ICOC adopt Section 100070.
