

Preamble

- The following was presented by Dr. Zach Hall as an introduction to the May 25, 2006 conference for the ICOC and the public.
- The graphic provides an overall framework for the construction of the scientific strategic plan. It indicates how each of the four meetings with the ICOC fits into the plan's development. This graphic will be used at each of the four meetings.

Scientific Strategic Planning Meetings with the ICOC

➤ ICOC Meetings

- June 2, 2006: Mission and Long-term Objectives
- August 2, 2006: Values

➤ CIRM Scientific Meetings for ICOC Members and the Public
